INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 and § 1.97 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Applicants hereby direct the Examiner's attention to the patent documents listed on the attached form PTO 1449 entitled "List of References Cited by Applicant." The references were cited in an International Search Report issued on May 18, 2004. Copies of cited foreign patent publications and English abstracts are enclosed. A copy of the International Search Report is also enclosed.

Please note that the International Search Report and references were previously brought to the attention of the Office in an IDS filed concurrently with the U.S. National Stage filing on May 10, 2005. However, the Examiner, in his Office Action of June 9, 2006, stated that the references cited in the Search Report had not been considered due to the failure to list the cited references "on a separate paper." The present IDS lists the references on a separate paper, as required by the Examiner.

Identification of the listed references is not to be construed an admission of Applicant or Attorneys for Applicant that such references are available as "prior art" against the subject application. Applicant respectfully requests that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

This Information Disclosure Statement is filed under 37 C.F.R. §1.97(c) after the period specified in 37 C.F.R. §1.97(b), but before the mailing date of any of a final action, a notice of allowance, or any action that otherwise closes prosecution. It is believed that a fee of \$180 is due pursuant to 37 C.F.R. §§ 1.97(c) and 1.17(p). Please charge this fee, or any other fee that may be due, to Jones Day Deposit Account No. **50-3013**.

Respectfully submitted,

Date: October 9, 2006
